

CSPU,

I would like to commend you on the new format for the Connecticut Trooper Magazine. It makes the reading more interesting.

Thanks and keep up the good work!

To All Union Members and Steve,

Thanks for the gift basket. It was wonderful. It feels good to know I still have friends in the agency that will help you out whenever needed.

Thanks,
Steve Salvatore

Dear Steven,

As we begin the New Year, I wanted to thank you for sending your wonderful holiday greetings and good wishes. I really appreciate the time that you took to share your thoughts with me and want you to know how much I value your friendship.

2007 was a very productive and successful year for our Office with a very smooth transition to new voting technol-

ogy. We look forward to continued progress in the upcoming legislative session and to a historic presidential election. Thank you again for writing and please do not hesitate to contact me if our Office can be of assistance to you. I extend my warmest wishes for a happy, healthy and safe 2008.

Very truly yours,
Susan Bysiewicz

Connecticut State Police Union,

Thank you so much for the scholarship this past June. Although it is now November, I have not forgotten to send this thank you letter. I understand it comes inexcusably late; however, I have been quite busy and did not mail the original in a timely fashion. Hence, I have sent this letter.

I greatly appreciate the award. It means quite a lot to me that I received this scholarship, and although I am trying to save it at the moment, the money will likely be used for books either this upcoming semester or the following. Again, thank you for this award.

Sincerely,
Jordin Soler
